

Call for Presentations Information

Session Title

Use a title that is informative and clearly reflective of the session content. While every effort will be made to retain the title as proposed, LeadingAge Ohio reserves the right to edit as necessary.

Session Narrative (250 words or less)

The detailed overview (250 words or less) of your session will be utilized to evaluate the overall significance, applicability and quality of your session content. LeadingAge Ohio will develop an abbreviated description from this abstract for use in the Conference Program Brochure.

Session Objectives

Please provide no more than 2 objectives for your topic. The objective(s) should explain what you want participants to know at the end of the session.

Topics of Focus

Identify which track your proposal best represents. Please select only one.

Clinical/Best Practices	Regulatory/Quality/Compliance
Service Excellence	Marketing/Sales/Philanthropy
Leadership/Financial	Technology
Hot Topics	

Speaker Information

Include job title, organization, contact information, academic history (highest degree, major/discipline, academic institution and year) and professional licensure(s) (i.e. RN, LNHA, SW, MD/DO, etc.) as you want them listed in print for each speaker.

Session Criteria
